# Athletes of the Week

### **Girls Basketball**

Sophomore Lauryn Tadda. Coach Kyle Strauch says, "Lauryn was our leading scorer against St. Peter's on Dec. 9, with 14 points. She also had eight rebounds. Lauryn is our most aggressive player and sets the tone for us offensively."

### **Boys Basketball**

Freshman Austin Silverwood. Coach Gary Almanson says, "Austin, a 6'1" post, scored the ball well last week in three games. In the season opening win against Loudonville, he knocked in 21 points and had 10 rebounds. In a Bucyrus loss, he scored eight points with several rebounds. And at Mt. Gilead, Austin had 17 points and rebounded and played good defense."

### **Swimming**

Freshman Ivy Stewart. Coach Denise Jeffrey says Ivy had a good meet Dec. 9. She dropped one second on her 50 free and 5.87 seconds on her 100 free. "Ivy has been on summer swim team so it is good to have her on the school team. She also plays basketball and is doing a great job of balancing the two sports. I hope to see her drop more time as the season continues," said Jeffrey.

### **Bowling**

Senior Madison Huber. Madison is a four-year letter winner and captain of the girls team. Coach Jeff Teeple says, "Madison is the most dedicated and focused young lady that I have had the pleasure of coaching."
