Athletes of the Week

Girls Basketball

Sophomore Kennedy Moore. Coach Kyle Strauch says, "Kennedy's desire to get better is her biggest attribute. She is never satisfied and always wants to better herself on the court. She has put in a lot of extra time so far this year to improve her game."

Boys Basketball

Junior Ty Clark. Coach Rob Lisle says, "Ty had 17 points and nine rebounds against Temple Christian followed by 13 points and seven rebounds against Lucas. Ty is one of our most consistent producers while continually being the focus of most of our opponent's defenses. He works hard in practice everyday and is always looking to get better."

Swimming

Senior Michaela Jeffrey. Coach Denise Jeffrey says, "Michaela had a good meet on Dec. 16. She dropped time in both of her events. She dropped 1.71 seconds in her 200 free and 3.51 seconds in her 500 free. Michaela and I would like to see her advance to Districts this year."

Bowling

Senior Peyton Cox. Coach Jeff Teeple says, "Peyton has been bowling for four years, with this year being his first time as a starter. This is Peyton's best season by far. He tries hard and cheers on his team."
