Athletes of the Week

Boys Basketball

Junior Davon Triplett. Coach Rob Lisle says, "Davon had 37 points, 27 rebounds, and 7 blocked shots in a split last weekend. In the win against Vanlue Saturday, he had 27 points and 22 rebounds and showed how dominant he can be. He hit 7 of 9 FTS and some big ones down the stretch."

Girls Basketball

Freshman Kirah Hoskinson. Coach Kyle Strauch says, "Kirah has been one of our most improved players throughout the season. She mainly plays JV and is the team's leading rebounder. She also leads the JV team in blocks and does a great job on defense using her height to her advantage. She has improved every week and I am excited to see how much better she can get in the next 3 years."

Swimming

Senior Kinsey Kenison. Coach Denise Jeffrey says, "Kinsey had time drops in both of her individual events Saturday. She dropped 1.37 seconds in her 100 back and 1.09 seconds in 100 free." Coach Jeffrey added that she will miss Kinsey next year, as well as the other four seniors: Alex Miller, Keagan Sqrow, Mariah Mosier, and Michaela Jeffrey.
