## Boys Basketball

Junior Caleb Hoskins. Coach Rob Lisle says, "Caleb has been working hard in practice at being more aggressive and stronger around the rim and it's been paying off as he has been playing well for us in our last several games. At Mansfield Christian he had 4 points and 4 rebounds and in our win against Central Christian last Friday he had 6 points and 4 rebounds. Continuing that hard work will be beneficial for us in these last couple games and into the tournament."

## Girls Basketball

Sophomore Lauryn Tadda. Coach Kyle Strauch says, "In our game last Thursday against Central Christian, Lauryn recorded her 11th straight game with at least 10 rebounds. Her season high in rebounds is 20 two weeks ago vs. Mansfield Christian. Lauryn has great basketball instincts and is a very scrappy player who always seems to be around the basketball. Lauryn was named second team in District 6 this past weekend."
