Athletes of the Week

Boys Basketball

Seniors - Gavin Balliett, Kevin Winkler, Zach Gregory, Bailey Wollard, Destin Chatman, Hunter Trent. Coach Rob Lisle says, "This year's senior class played a major role in helping get our program back on track. Whether they have been in the program all four years, or for just a couple, their dedication and leadership has shown what it takes to become winners. They will finish with the best regular season winning percentage since 2006/2007 as well as the most home wins since 1993/1994."

Girls Basketball

Sophomore Lydia Tadda. Coach Kyle Strauch says, "Lydia was our lone senior this season and did an unbelievable job leading the team. I couldn't have asked for a better senior leader in my first year of being a varsity head coach. She led our team in assists, averaging just under 4 per game and was our 2nd leading scorer. Lydia will be missed and she will be extremely tough to replace."

Bowling

Senior Madison Huber. Coach Jeff Teeple says, "Madison advanced to districts with a 549 series, second highest individual. Madison then went to districts on Feb. 24. There she bowled a 519 series to finish 12th overall out of 78 girls. She has gone to districts three years in a row. Madison graduates this year and leaves big shoes to fill. Good luck to her in the future."
