

Week of February 5th

Athletes of the Week

Girls Basketball

Freshman Brynn Cheney. Coach Kyle Strauch says, "Brynn has done a great job on the JV team this year. She is a post, but sometimes has to play on the wing or the point guard position and does a wonderful job adjusting. She does whatever it takes to help the team. She also plays varsity at times and gives us good minutes whenever called upon, including making a big shot for us in the 1st quarter of a win against Mansfield Christian earlier this season.."

Swimming

Sophomore Jaden Stewart. Coach Denise Jeffrey says, "Jaden has been an asset to the team. He is a two-sport athlete and has done a great job balancing those sports. He plays basketball and has only missed one swim meet all season, some days having to do both sports. We look forward to him returning next year and continuing to improve."

Bowling

Senior Madison Huber. Coach Jeff Teeple says, "Madison is bowling her best of the season. She is still hitting the pins hard. Madison is on track for sectionals and for a 3-peat for districts. Madison bowled high game 203 and high series at a 389."
