

Week of January 15th

Athletes of the Week

Girls Basketball

Junior Destiny Hoskinson. Coach Kyle Strauch says, "Destiny has done a very good job this year for us coming off the bench and contributing on the varsity level. With our program having a JV team this season, for the first time in years, it has allowed her to play JV a couple quarters a night, which has greatly helped her confidence on the court. She has improved each and every week."

Swimming

Freshman Alec Sipes. Coach Denise Jeffrey says, "Alec is doing well this year. His main events are 100 free and 100 breast. Last Wednesday, he dropped 2.85 seconds in his 100 free for a PR. We hope to see him drop more time in the meets to come."

Bowling

Sophomore Simon Reynolds. Coach Jeff Teeple says, "Simon is a sophomore this year and this is his second season as a varsity bowler. I have coached Simon for four years, two years of junior bowling and expect great things from him. He bowled his high game 223 and his high series 421 against East Knox last week."
