Athletes of the Week

Girls Basketball

Junior Alandra Tesso. Coach Kyle Strauch says, "Alandra was our leading scorer in our game against Lucas. She is our biggest three-point shooting threat and helps us space the floor. She is also our leading rebounder from the guard position, including 11 rebounds in a game earlier this season."

Boys Basketball

Sophomore Kaden Ronk. Coach Rob Lisle says, "In a hard-fought win against Hillsdale, Kaden had a team high 16 points and six steals. On the season, he is currently tied for top scorer and leads the team in steals. Kaden works hard in practice every day and is always looking to improve."

Swimming

Senior Mariah Mosier. Coach Denise Jeffrey says, "Mariah has never been on the swim team before. She is a hard worker and has been learning a lot. Mariah is also balancing swimming with cheering. I am proud of her effort."
