

Week of May 21st

Athletes of the Week

Boys Track

Juniors Max Anatra and Dakota Wireman, seniors Zach Gregory and Garrisen Almanson, and freshman Alec Sipes. Coach Kyle Strauch says, "At our district meet in Bucyrus on May 17, Alec placed 4th in pole vault, which has qualified him for the regional meet. Also our 4x100 relay consisting of Max, Dakota, Zach, and Garrisen finished 3rd in the district meet, which was also good

enough to advance on to regionals. We are very excited to see what these boys can do against very good competition."

Girls Track

Senior Alex Miller. Coach Kyle Strauch says, At the 20 team district meet, Alex finished 12th out of 27 runners in the 100 and was part of the 4x100 relay that finished 14th. Alex was our lone senior girl this season and did a wonderful job on the track and being a leader. She will be tough to replace and we wish her the best moving forward."
